

LAKE KEOWEE

Oconee County has four state parks, all of which are nestled at the foothills of the scenic Blue Ridge Mountains. The entire area is full of trails for hiking, biking, and other outdoor activities.

See page two of this document for driving directions.

In the Jocassee Gorge Wilderness Area, there are cascading waterfalls throughout the park's 40,000 acres.

Falcon's Lair Golf Course and The Walker Course at Clemson are both championship courses.

You'll find an array of year-round performances at the Robert Howell Brooks Center, located at Clemson University.
